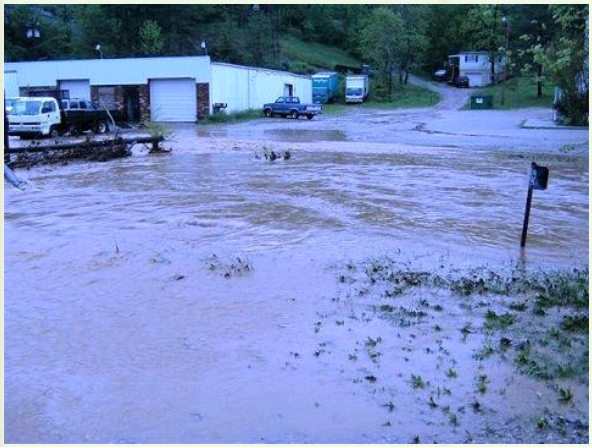
Gas Grabber

MOGA SHOW

On April 16, 2009 the R. L. Laughlin Company participated in the Michigan Oil and Gas Conference and Show at the Grand Traverse Resort, in Acme, Michigan. The show was well attended and several new contacts were made in a continued effort to extend the companies services to Michigan. We appreciate the response and look forward to serving the Michigan oil and gas industry.

As part of our expansion effort the company is offering a STIMULUS PACKAGE , FREE SET-UP OR CHANGEOVER AND THE FIRST MONTH'S INTEGRATION AND VOLUME REPORTS FREE. This extends to all new customers and old customers bringing new work.

The company offers on-line reporting and viewing of charts with immediate turnaround (7-day) guarantee. These concepts are being well received and our operations manager, Gary Sergent will be in Michigan on a monthly basis to discuss these services. Contact Gary at 304-776-7740 or garys@rllco.com. Gary will be attending the May 21st meeting in Gaylord and will remain several days in the area. If you have gas measurement concerns and need to save money, let's talk!



APOLOGIES

The R. L. Laughlin Company and all our employees want to extend our sincerest apologies for the service interruptions on April 29, 30 and May 1, 4. For the first three days the phones and computer lines were out due to an automobile accident. A car crashed into a local power pole causing a fire and melt down of a large communications connections box. The entire area was without service for three days.

On May 4th heavy rains caused the creek in front of the office to swell and a plugged culvert sent it over our driveway and parking lot. It took two hours to recede before our employees could reach the office.

We apologize for any inconvience and trust that all concerns have been addressed.

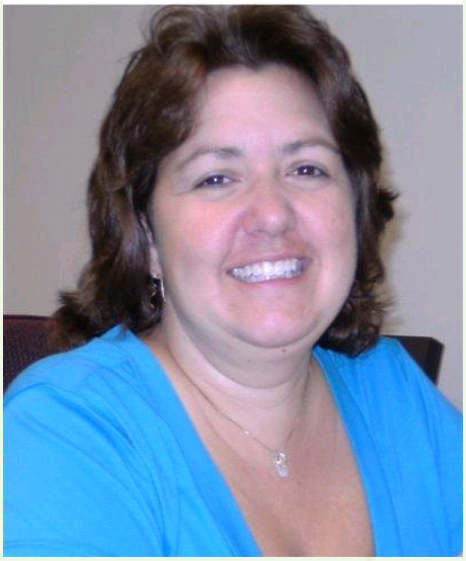
MDA TELETHON EXECUTIVE LOCK-UP

I've been accused of having a Big Heart and will be put in jail for the Muscular Dystrophy Association (MDA) Lock-Up. I just have to raise my bail of $2,400 before the Lock-Up and they'll go easy on me, but I need your financial assistance to post my bond.

Your 100 percent tax-deductible donation will help MDA continue research into the causes of and cures for 43 neuromuscular diseases. Your support of the MDA Lock-Up will also help MDA provide wheelchairs, clinic visits, and summer camp.

With your help they may even let me out on good behavior! If you would like to "Bail Me Out", please give me a call at 304-776-7740 or email me at connie@rllco.com.

Thanks,
Connie Turley



INTRODUCING KIM BIAS
ADMINISTRATIVE ASSISTANT

I was born and raised in Kanawha County and graduated from Nitro High School in 1988. Attended WV State College for 2 years and went back to school in 2002 at National Institute of Technology for Computer Networking, where I received several computer and Microsoft certifications. I am married and have one son, Christopher Allen, who is into playing all sports that little league has to offer. Aside from the many hours we spend on the bleachers for sporting events, I enjoy traveling, cooking and home improvements.

It's Kim's voice that greets you when you call our company. She is eager to assist you!
