# The Gas Grabber

Since 1970, R L Laughlin has offered quality natural gas measurement services to many of the industry leaders in the Appalachian basin. With our main office located in Charleston WV and a second office located in Hartville Ohio, our clients always have access to us when we're needed.

**West Virginia Office:** 304-776-7740  
**Hartville Office:** 330-587-1230

**Atlas Energy**

### Headline- Welcoming New Business

R.L. Laughlin & Co., Inc. would like to welcome Atlas Energy Group, L.L.C., to our family.

Atlas Energy Group, L.L.C. is a master limited partnership (MLP) that acquires and develops upstream and midstream oil & gas assets, with the potential for high-growth, high-yield returns.

All of us at R.L. Laughlin look forward to building a long lasting relationship that will be beneficial to both organizations.

### News Release- Welcome Back!!

R.L. Laughlin would like to welcome back Dominion to our integration services.

Headquartered in Richmond, VA., Dominion Resources, Inc. (NYSE: D), is one of the nation's largest producers and transporters of energy, with a portfolio of approximately 12,400 miles of natural gas transmission, gathering and storage pipeline, the company operates one of the largest natural gas storage systems in the U.S. with 949 billion cubic feet of capacity. Dominion serves energy customers in 12 states.

Welcome back, you all, were gone way too long, we missed you!

### Progress In Hartville!

Did you know our Hartville Ohio office is staged and ready for growth? Recently we upgraded our phone and internet system to prepare for employing integrators. Three offices have now been set up and are ready for new employees. Also the Hartville office filing system was moved in order to make room for what one day will house the latest in gas testing and analysis equipment.

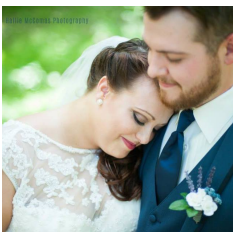

**A big thank you to all that made the work in the Hartville office possible!**

## The Company Pulse

As everyone knows our industry is in recession. Our organization, along with our customers, is doing everything possible to keep costs down. No one can predict the length of a downturn but one thing is for certain, we will make it through this time.

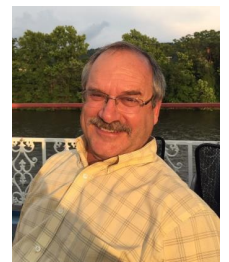

I would like to personally thank our staff for their hard work and dedication as we move through this difficult period.

With a final date yet to be determined, Thomas (Tike) Lauer has his sights set on retirement. Tike is a field technician who has spent the last 8 years as part of the R.L. Laughlin & Co., Inc., family.

Tike admits that his work ethic and enjoyment of working, may never fully allow him to retire however he plans to enjoy many outdoor activities such as hunting, fishing, and water skiing. Most importantly Tike plans to enjoy all these activities with his grandchildren.

We are very happy for Tike and want to thank him for all his hard work and devotion to R.L. Laughlin & Co., Inc.
